WHY I WANT TO BE A JUDGE

Mrs. Clarice Baright.

Mrs. Charles Margolis-Baright, a practicing lawyer of New York City, has made formal application to Mayor Mitchell to be appointed judge of the court of special sessions in that city. Answering the question why she wanted to be a judge, she wrote the following:

Above all else because I am a woman, with all of a woman's close association and sympathy with children and her greater knowledge of the workings of the youthful mind. Having myself brought up two children to splendid successful girlhood, I have all the advantage which such an accomplishment bring to a woman in the intimate association with the child nature which it gives.

Further than this, because I have for the past twelve years been devoting myself to the close and intimate study of the conditions which make up the lives of the boys and girls of this city who became the delinquents that appear before our juvenile court. In carrying on this work I have lived among these people. I have been their confidant and adviser in times of trouble. I have broken bread with them, I know their weaknesses, their short comings, and the handicaps that surround their lives, and they know me.

C. N. C. BOLEMAN IS TREASURER COUNTY

WAS CHECKED IN YESTERDAY MORNING BY AUDITOR SMITH.

FORMERLY AUDITOR

Takes Place of Dr. W. A. Tripp, Who Was Appointed By Gov. Blease Last Year.

Mr. G. N. C. Boleman was yesterday checked in as treasurer of Anderson county by Auditor Winston Smith, he having been elected to this office in the election last year.

Dr. W. A. Tripp of Easley has been treasurer for the past year, he having been appointed by ex-Governor Blease to fill the unexpired term of Mr. C. W. McGee, who resigned to accept position as cashier of the Farmers and Merchants bank.

Under a law passed a few years ago the treasurers go into office on the first of July. This is much better than the old way since it allows the former treasurer to sign up all the old vouchers and fix up his books and when the new treasurer goes into office he can start a new set of books.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffing, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with a cold or nasty catarrh.
